an unquenchable faith in their mission
can alter the course of history"*

S. B. INDUSTRIES

Quality through perseverance

An ISO 9001:2015 Certified Company

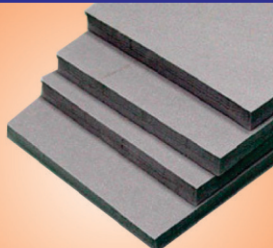

We **S.B. INDUSTRIES** are one among the leading manufacturer and supplier of high Quality Industrial Adhesive Tapes. We are the ISO certified Company. We started our Company in the year 2001 and maintained a front runner position in the industry with the help of our rich experience and vast frontiers of knowledge. We have all the essential facilities and skills to develop high quality products to meet the exact specifications of the customers as per their requirements, design and samples. In order to ensure the excellent performance and accuracy of all our products, we perform in-house quality control checks under the adept supervision of quality control personnel. The company always aspires on achieving long-term business relationships with the customers.

Our company is capable of manufacturing products to the customer demands and specifications. We have made our presence increasingly felt over a period of time by our premium quality products and excellent services. The unmatched products have given a respectable name to the company in the domestic market and have made us one of India's leading manufacturers and suppliers of different range of foam Adhesive Tapes.

Our company firmly believes in the principle of complete customer satisfaction conforming to the corporate, so we lay special emphasis in providing prompt and efficient post sales service back up to all our patrons. We are supported by our highly experienced, trained and motivated technicians to extend our services. The main objective of our company is to serve the industries with high quality, reliable and cost-effective Industrial tapes, committed to total customer satisfaction through people of technology and continuous improvement.

An ISO 9001:2015 Certified Company

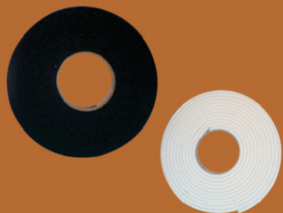

**Polyethylene cross link foam
single side adhesive**

CODE No. : SB-01

Used in Weather Striping for sealing gaps in Doors and Windows, as Strips and Gaskets in Assembly Operations, Duct Seals and Sound Dampering Pads, Gaskets in Electrical, Electronic and Various Applications, etc.

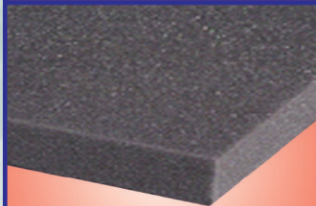

**Polyethylene crosslink foam
double side adhesive**

CODE No. : SB-02

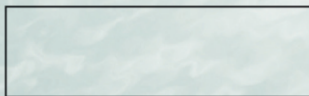

Used for Structural Glazing, Interior Decorations, Fancy Products, Wall Stickers, etc.

**Polyurethane foam single
side adhesive**

CODE No. : SB-03

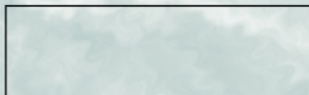

Used for Sound Dampering in Printers, Special Purpose Machines, Thermal Insulations in Air Conditioners Refrigerators and Sound Insulation, etc.

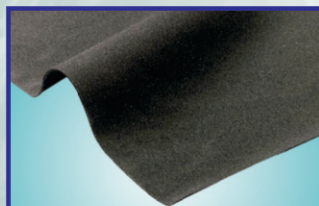

Nitrile Foam

CODE No. : SB-04

Used as Superior Thermal Insulation such as Pipe Insulation, Fittings Insulation, Ducting Insulation in Industries like Air Conditioning, Automobile, Soar Water Heater, Buildings, Hotel, Cold Storage, Refineries, Power Stations, Airports, Commercial Complexes, Theaters, Dairy and Food Processing, etc.

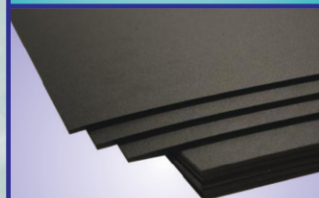

**Neoprene Foam
single side adhesive**

CODE No. : SB-05

Used in Thermal and Moisture Insulation Firm and Durable Gaskets Expansion Joint Filler, etc.

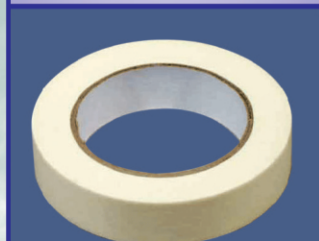

EPDM Foam

CODE No. : SB-06

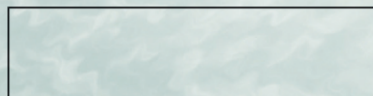

Used for manufacture equipment seals; dust, moisture and splash seals; lid seals; and various kinds of filters.

Masking Tape

CODE No. : SB-07

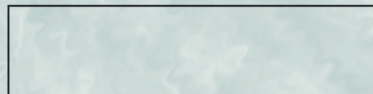

Used for Spray Paint masking PCB Making, etc.

Surface Protection Tape

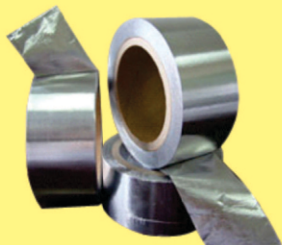

CODE No. : SB-08

Used as Protection of Anodized / Acrylic Coated Metal Window Frames, Protection of Machine Parts, Printed Circuit Boards Plated Surfaces and Stainless Steel Finished on Automobiles, etc.

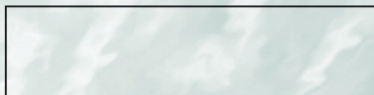

An ISO 9001:2015 Certified Company

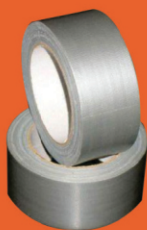

Aluminium Foil Tape

CODE No. : SB-09

Used for Duct Wrap, Thermal Insulation, Vapour Sealing, etc.

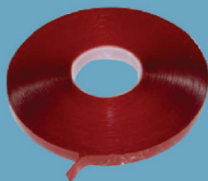

Duct Tape

CODE No. : SB-10

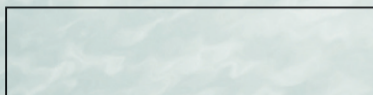

Used for sealing joints in metal and Plastic Ducts, Sealing Gas Fire Closure, Plates, Electricals, etc.

VHB Tape

CODE No. : SB-11

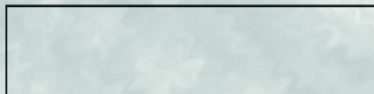

Used in Automotive Trim Attachment, Signs, Graphics, Printing, Construction and Electronics, etc.

Polyester Tape

CODE No. : SB-12

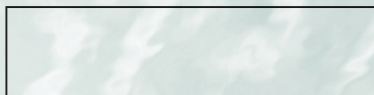

Used for High Voltage Insulation in Transformers, Chokes, Coil Winding, etc.

Available in various colours

Kapton Tape

CODE No. : SB-13

Used for Very High Voltage Insulations, etc.

Floor Marking Tape

CODE No. : SB-14

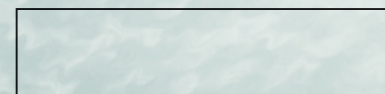

Use in Factory Demarcation Areas, First Aid Points, Hazardous Areas, etc.

Double Side Tissue Tape

CODE No. : SB-15

Used for Sign & Display Boards, Excellent Adhesion to Metal Glass, Films, Papers, High Performance for Slicing Plastic & Other Continuous Process, Bonding in Circuit Boards, etc.

Die Cuts

Die punching are done as per customer requirements. Used in Various sectors like automobiles industries lighting industries etc.,
